

Find the Angels on our Nativity Trail

The shepherds were out on the fields taking care of their sheep when suddenly a great crowd of angels appeared singing 'Glory to God in the highest and peace on earth'. What a joyful noise they made. The angels wanted to tell Minehead the good news that Jesus, God's only son, had been born in Bethlehem. They decided to go into as many places in town as they could so that as many people as possible heard.

But now we need to get them back together so that they can help us make a joyful noise. Can you help us?

We know where the angels were last seen but angels are very clever at hiding. They are all shapes and sizes; some have disguised themselves and look very strange indeed! Some are hiding in shop windows some may be on display in the shop.

All of them have a name tag either on them or beside them. When you find one of the missing angels all you have to do is to write their name on the back of this sheet. That way we will know where we need to go to collect them all!

The angels will be in the window or on display from now until 19th or 20th December. Once you have found them all (or have the names of as many angels as you can find but don't worry if you do not find them all) either email your answers to paul@minehead-baptist.com or bring them to our all age, family friendly, everyone welcome, "And then there were Angels" service at Minehead Baptist Church, The Parks on Sunday 21st December at 10am.

A prize draw will take place as part of this service and prizes distributed as soon as possible thereafter.
